Kate,

I received yesterday the final sign off paperwork from the public engineer for the Hanalei Inn and want to mail this to you, Brian Hennessy had signed the papers on 2/7/2013 and why it took this long to send to me I do not know maybe it might have to do with being in Hawaii. Could you please send me the address in San Francisco where I should send this paperwork. If you need to speak with me I can be reached at 619-222-6020 here in San Diego.

Thank You,

Lance Valente
